Tokoroa North School

Together we learn for life - Ako ngatahi ki te ora

28 April 2020

Tena koutou katoa

Our ANZAC Day and extended weekend has been different to what we had all planned at the beginning of the year. However, hopefully this special day and time was shared with your bubble-mates with this lovely weather too.

Tomorrow, Wednesday 29th April, our school will be physically open for some students. (Please refer to the flow chart on the website). These students are now enrolled in our Alert Level 3 roll.

We have endeavoured to contact every family to communicate how this change to Level 3 would affect your families. If your situation changes, please contact the school or your child's teacher.

All children, including those on site, will continue following distance learning as they have been during lock-down. Staff who have volunteered to be on site will be supervising each group of children in their bubble. Schooling will look very different for them during Level 3 due to the strict Health and Safety guidelines we are required to follow.

During Alert Level 3 if you need to contact school, our office will be open for phone calls 07 886 9169 Please **DO NOT** physically come onto the school grounds. This is for the health and safety of our staff and students who will be on site.

Yours sincerely

Judith McLean
Principal
