Tokoroa North School

Together we learn for life - Ako ngatahi ki te ora

12 May .2020

Kia ora koutou

We will soon be together at school again. The announcement yesterday of moving into Alert Level 2 means our school will re-open for all students on Monday 18th May. It is safe for all students to return to school. We will be following the guidelines to ensure we have safe and sensible practices to maintain the health and safety of everyone on the school site.

At this level we will be transitioning back to on-site learning so distance learning will no longer be provided. We have valued your connections, support and input with your children's learning at home.

While there may be some nervousness in returning and adjusting to the school environment, the expectation is that, with the exception of some students who are sick, we anticipate all students to attend at Alert Level 2.

Please notify the school by Thursday 14th May if your child won't be attending school when Alert Level 2 commences.

Further information will follow to assist and support you in returning back into our school environment.

We are really looking forward to seeing you all again on Monday. We have missed all the beautiful smiles and stories.

Judith McLean
Principal
