Tokoroa North School

Together we learn for life - Ako ngatahi ki te ora

Kia ora koutou

We hope you have all enjoyed this sunnier day today and found time to be outside for some fresh air and exercise.

Our teaching team has been busy during the weekend preparing and planning in readiness for distance learning. You may have already had contact from your child's teacher in planning forward.

We are presently preparing for the possibility of Alert Levels changing and need information from you to determine which children are likely to return to school at Alert Level 3 because their parents are essential workers. Please complete the google form to indicate if you would require your child to be at school. Remember to fill out one form per child.

From our Secretary of Education Iona Holsted:

A big thank you for taking the lockdown seriously and doing what we have been asked – we've seen before that staying at home will break the chain of transmission and save lives. It is even more important that we all follow the health advice because the Delta variant is very contagious.

Breaking the rules risks the health of those close to you, the wider community and could result in the lock down period being extended.

Please remember that the school, playground and school grounds remain closed at Alert Level 4.

As always, please let us know if there is anything you need to support you and your tamariki during this time.

Please stay safe in your bubbles.

Judith McLean
