Tokoroa North School

Together we learn for life - Ako ngatahi ki te ora

31st August 2021

Kia ora koutou

I hope you all found some time during these past few days to get outside and make the most of the fine weather.

As you realise the Government has confidence that we are safe to move to Alert Level 3 tomorrow on Wednesday 1st September.

We will have a small number of children attending school whose parents must go to work at Alert Level 3 and who do not have alternative arrangements for their children.

School will be different due to the strict safety precautions for Alert Level 3 following recommendations from the public health experts. Children are already used to keeping clean routines which will be reinforced more, alongside being physically distanced as much as possible and school bubbles of no more than 10 students.

We will continue to support all children who remain learning from home, through our distance learning programme.

For those students who will be joining us please bring a named drink bottle and your morning tea. Lunch will be provided by our school lunch suppliers. The gates will be open at 8.30 and closed at 9.05.

Please contact your child's teacher if you require more home learning materials for your child.

Hopefully it isn't too much longer until we are all back together again.

Stay safe in your bubbles.

Ngā mihi
