Tokoroa North School

Together we learn for life - Ako ngatahi ki te ora

8th September 2021

Kia ora koutou

I am sure many of you are looking forward to your children returning to school tomorrow especially as our weather is not as nice to be out and about. We are looking forward to having everyone back with us again. Today our staff are all on site preparing for teaching and learning again on site.

The required safety precautions for Alert Level 2 are in place which includes following all the recommendations from the public health experts. This includes regularly cleaning and sanitising high-touch surfaces and encouraging everyone to wash their hands.

In preparation for returning to school a few reminders for you all:

Gates will be open at 8.30, closed at 9.05, open at 3.00, closed at 3.15. Access to school outside these hours are through the main driveway pedestrian entrance. Adults, if you need access to the school please report to the office for contact tracing.

Our drinking fountains will be available, however it is preferable for students to have their own named drink bottle.

If you are not sure what all the rules are for alert level 2 when you are out and about, then the following information may be useful to you:
